Dear Ms. Bastnagel:

Thank you for your voice mail to Amy Christensen on November 19, 2001. We appreciate your cooperation in helping us to file the required formal documents with the U.S. Patent and Trademark Office for the above-captioned patent applications.

We have enclosed for your signature an Assignment for the above-captioned Flight Attendant patent application. Please sign this document, have it notarized if possible, and return it to us in the enclosed pre-paid Federal Express Priority envelope by **November 27, 2001**. If you do not have access to a notary, you may send us the Assignment without first having it notarized.

We have also enclosed for your signature Declarations and Assignments for the five above-captioned Cruise Control patent applications. For your reference, we have enclosed copies of each of these five applications as well. Please sign the Declarations and Assignments, have the Assignments notarized, and return the Declarations and Assignments to us in the enclosed pre-paid Federal Express Priority envelope by **November 27, 2001**. Again, if you do not have access to a notary, you may send us the Assignments without first having them
